

METHOD CARD

Capturing (environmental) experience

PRIVATE DETECTING

Taking on multiple roles - detective, documentarian, behavioral scientist and diarist - voyeurism, intimacy, and identity blend. She studies the lives of strangers, by inviting them to sleep in her bed, trailing them through a hotel, or following them through the city. – Sophie Calle

Trail one or more strangers. Record intimate details, imagine what they might mean.

et semble attendre devant la station de métro Odéon.
