

Introduction	1
Occupying Time	2
Technology and design context	4
Technology and ubiquity	4
‘Beyond the Object’	5
Return to things	6
Starting points	7
Main concepts	8
Time and form	8
‘Space, Time and Architecture’	9
Themes	10
Materials, Use, Change	10
Disciplinary frames	12
Interaction design	12
Architecture	13
Practices	14
Material, Participatory, Critical	15
Research and practice	17
Problem-solving or -finding?	17
Programs	19
IT+Textiles, Public Play Spaces, Static!	20
About the form of this text	21
Notes	22

Materials	27
Material life	28
lm/material	30
“Then package it!”	31
Atoms and bits	33
Size matters, time counts	33
Technology as material	35
The problem of formalism	37
Event architecture	38
(De)composition	38
Event	39
Performance	40
Infrastructure	41
Project: Smart-Its Restaurant	42
Programming abstract space	44
Interplay and afterlife	44
Formation in time	45
Temporal form	47
‘Forms-in-space-and-time’	48
Project: Kinetic Shadows	50
Becoming	53
Notes	55
Material practice	58
Issues for practice	60
Working with materials	61
Complex materials	65
Materials in design	69
Some approaches	69
Expressionism	69
D.I.Y.	70
Weaving	71
Material issues	72
Abstraction	72
Expressions	73
Formation	74
Toward material practice	76
Notes	79
IT+Textiles	82
Program: IT+Textiles	84
Programmatic issues	90
Experimental design	91
Materials before - or for - design	93
Reflections on material practice	95
Notes	103

Use 105**Becoming users 106**

Insides and outsides	108
Use in time	109
Action, reaction, interaction	111
From plan to action	112
Ob-jects in action	113
An interactional problem	114
Vernacular architecture	116
Convention	116
The ordinary	117
Typology	118
Bigness	118
Cultures of use	119
Face-lifts and half-lives	121
Project: Hubub TV	122
Intervening in continuity	124
Use as participation	126
In the making	126
Project: Nomadic Audio	128
Interaction and change	130
Notes	132

Participatory practice 134

Issues for practice	136
Practices of use	137
End 'users'	138
Participation in design	142
Some approaches	142
Participatory Design	142
Participation in architecture	143
Tactical media	144
Issues of participation	145
Objects	145
Openings	146
Intervention	147
Toward participatory practice	149
Notes	153

Public Play Spaces 156

Program: Public Play Spaces	158
Programmatic issues	164
Design gone wild	166
Power play	168
Reflections on participatory practice	171
Notes	178

Change 181**Design effects 182**

Powerful forms	184
Occupying time	185
Forms of life	186
Future use	188
The problem of the future	188
Project: Mixers	190
Myths of totality and utopia	192
Non-Design	194
Conform, reform, or contest	194
Anti-design	195
Non-Plan	196
Post-functionalism	197
Project: Street Signs	198
If non-design, then what?	200
Unfinished forms	201
End of the end	202
Outside and after design	203
Futurity	204
Notes	206

Critical practice 208

Issues for practice	210
Critical traditions	211
(Post-)Criticality	214
'Criticism from within'	217
Some approaches	218
Conceptual design	218
Concept design	219
Critical design	220
Critical issues	221
Systems	222
Alternatives	223
Operation	224
Toward critical practice	225
Notes	229

Static! 232

Program: Static!	234
Programmatic issues	240
Sustainability ≠ Criticality	242
'Object as discourse'	244
Reflections on critical practice	247
Notes	253

Recap 257**Bibliography 267**
